

INTRODUCING NEW
**PETRO-CANADA
SUPREME MOTOR OILS**

THE QUALITY AND PERFORMANCE
YOU EXPECT FROM PETRO-CANADA.

SYNTHETIC OIL. REAL ADVANTAGES.

Petro-Canada's line of Supreme Synthetic and Synthetic Blend oils delivers advanced engine protection and performance.

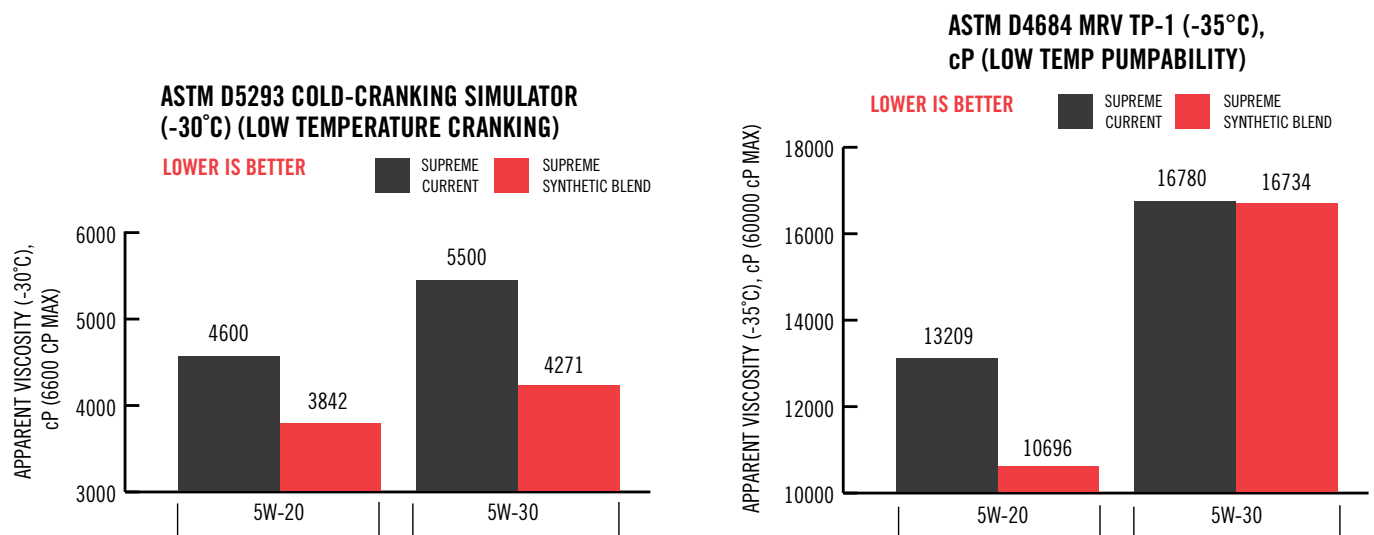

- ✓ Extended engine life
- ✓ Exceptional resistance to high temperature thermal breakdown
- ✓ Outstanding low temperature fluidity
- ✓ Reduced oil consumption
- ✓ Exhaust emission control system protection

Break away from conventional performance with Petro-Canada's new Synthetic Blend motor oils.

Specially formulated with a synthetic base oil blend, our new engine oils deliver improved engine oil volatility, low temperature protection and overall wear protection.

IMPROVED LOW-TEMPERATURE PROTECTION.

Petro-Canada's new Supreme Synthetic Blend motor oils provide better flow at low temperatures for reduced engine wear in cold starts. That means better wear protection.

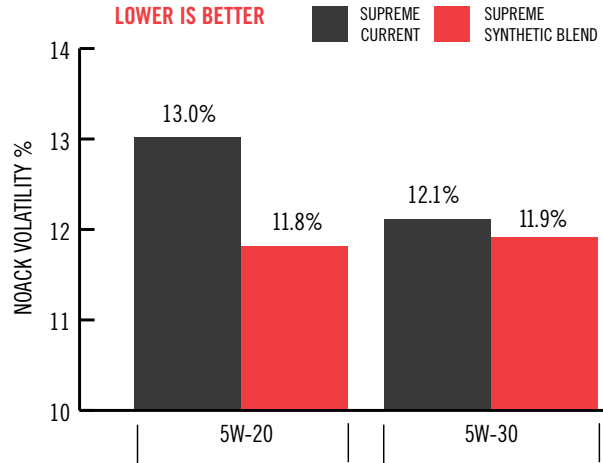

SUPREME MOTOR OILS.

REDUCED ENGINE OIL VOLATILITY.

Petro-Canada's new Supreme Synthetic Blend motor oils deliver improved volatility performance that resists breakdown for better high-temperature operation and reduced engine oil consumption. That means cleaner running engines with less deposit formation.

ASTM 5800 NOACK VOLATILITY % (15% MAX)

NEW PETRO-CANADA SUPREME MOTOR OILS. THE QUALITY YOU NEED FROM THE NAME YOU TRUST.

Petro-Canada delivers synthetic quality performance throughout our entire product line of Supreme engine oils. It all starts with our 100% synthetic PURITY™ VHVI base oils derived from the HT purity process which produces 99.9% pure base oils. In combination with leading-edge additive technology, they deliver exceptional resistance to thermal breakdown, outstanding low temperature fluidity, and excellent engine protection against wear and deposit formation under the most severe driving conditions.
